MESSAGE

1976 has proved to be a year of great significance to our Association. We have seen our membership steadily grow to such an extent that we now have three divisions playing in the League Competition.

Another highlight has been the selection of the team to represent the Colony in the Women's World Series to be held in Worthing in May 1977. The team has been training hard and are determined to uphold the excellent reputation, both on and off the greens, that our men have so rightly earned in the bowling world.

The season is over, and while we gather to congratulate the worthy winners, a word of praise for all bowlers who so strongly competed for the trophies. A high standard of play and sportsmanship was a notable aspect of the competitions.

The Ladies Association thanks all convenors and clubs who so generously gave of their time and use of greens throughout the season.

Good luck and good bowling!

J. Liddell

MESSAGE

We have come to the end of yet another year of bowls. Last year was especially successful due to the continued interest shown by our bowlers and also by new bowlers. Because of the increased entries of teams we had to divide the third divisions into two sections in order to cope with the league finishing in time and that, I must say, was a very good sign. My congratulations to the League Sub-Committee.

The Colony competitions were also very successful, what with record entries for quite a few of our competitions. We have had no help from the weatherman and yet the competitions sub-committee did an excellent job of having the competitions finished in time. My congratulations to the Competitions Sub-Committee.

Towards the end of next year, we will all be preparing for the Commonwealth games which will be held in Edmonton, Alberta in Canada in 1978. But we must first turn to our fairer sex, as they will be leaving to participate in their first ever world Championships to be held in Worthing, England, in May next year. We know our ladies will do us proud, both on and off the greens, and our sincere wishes go with them to Worthing.

I would like to end this message by thanking all clubs for their continuous support of the Association, especially K. B. G. C. because of their facilities they have always carried the burden. I would like also to wish the best of luck to all bowlers of all ages, and to ask them to help maintain the very high standard of bowls that Hong Kong is known to have achieved.

It's a new experience.

It's a whole new look in cigarettes.

A whole new feel.

A whole new length.

More. It's the first 120mm cigarette. Longer and slower-burning than a conventional cigarette. More gives you more time for those relaxing moments. More flavor yet surprising mildness.

More. Put your cigarette against it.

It's a cooling blast.

If you like menthol, now you can have More Menthol.

It's the new 120mm menthol cigarette that starts with a blast, then gives you more coolness and tobacco taste.

More Menthol. The longest, coolest menthol experience you've ever had.

More Menthol. Put your menthol cigarette against it.

WORLD BOWLS TEAM

CAPTAIN'S MESSAGE

It was with much pleasure and anticipation that the Ladies Lawn Bowls Association received an invitation from the Women's English Bowling Association to participate in the World Games to be held in Worthing, England next year.

It is with confidence and pride, the team will leave for Worthing next May and will do their utmost to emulate the Men's performance. The experience will prove invaluable and the knowledge that the good wishes of the Bowling fraternity will go with us, will bolster our confidence considerably.

I wish you an enjoyable evening and much success in the 1977 season.

NOBODY'S DARLING

Up and down, walking, walking.
Often measuring, sometimes chalking,
Shifting mats — keeping score,
Thirty ends — may be more;
Aching back tired of limb,
Cheers for others — none for him.
Night draws on, darker, darker,
No one cares for he's the MARKER.
So if you would a marker be
Then make it worth your while
To do the job quite capably
And do it with a smile.

MAXIMS

A good skip can control his ship.
A good "Lead" is always a need.
A bowl on the pitch is worth two in
the ditch.
A long length requires more strength.
A rink game is a "Think" game.
A back bowl may become a jack bowl.
A bowl much short will count for nought.
A chalk on your wood proves your bowling
is good.
A certain one to you is better than a
risky two.
You won't get sore if you don't score.
A toucher on the jack: a couple at the back.
A good draw short will win a lot.
And when you have lost, don't reckon
the cost.
It is a great pleasure to win a close
measure.

THE BOWLERS TEN COMMANDMENTS

Thou shalt not covet thy
neighbours' draw shot
Nor his yard on shot.
Cast not thy lighted butts
upon the Green.
Thou shalt not squeal.
Thou shalt not ridicule thy
brothers' wrong bias.
Honor thy bowls convenor and
thy selectors.
Thou shalt not take the name
of thy skip in vain
Thou shalt not with thy tongue
punish the ear of thy adversary
Thou shalt not drag thy feet
upon the Green.
Thou shalt not with thy presence
clutter the head, while thy
brothers the threes deliberate
thereon
Thou shalt not keep thy brothers
waiting.
